CHAPTER 5: Conclusion

INTRODUCTION

The Problem of the world is not lack of fear of God. If anybody should fear you but fail to do so, it is a waste of time to start preaching to him. Just show it by one or two actions and he will comply.

Israelites did not need sermon from Moses to fear God. The experience of the Whirlwind, the Earthquake and the Fire on mount Sinai had better passed the message across. They quickly responded, by saying, anything that God wants to tell us, we are satisfied to hear it from you. Even if Moses comes to lie to them, there will be no question.

Moses said, a Prophet among your brethren will be raised and GOD, testified about HIS beloved Son, Jesus, that we must listen to Him. Jesus summed it up and left us with only one law which read:

Agape-Love your neighbors as I (Jesus)
Agape-Loved you.

This book is very important to the growth and success of Christ followers on earth. Understanding of AGAPE-LOVE and the Power of the SPIRIT in you, make a clear difference between Judaism as a religion brought to Israel by Moses and zoe-Life of Christ-Like people. The clear difference between dogmatic life and a life that is being led by the SPIRIT cannot be overemphasized. Hence, the need for a serious emphasis on 'baptism or immersion' in the Holy SPIRIT for the Church. Note that, if you miss the word "baptism" from the experience, you may not likely get the information correctly. Apostle Paul said, if any man is without this SPIRIT, (not the fullness of this Spirit), he is not of us (Rom 8:9). The difference between old covenant and New-age covenant is the

ability to please God by the enduement and endowment of the Complete SPIRIT OF God. God is INVISIBLE. GOD IS SPIRIT. It is possible to have the SPIRIT of God, but not in fullness. Angels don't carry this fullness of God. It is only possible in man. What are the things that you need to know and the means to attain it, are the focus of this book. The place of Agape-Love and how important it is, will be discussed. The relationship between agape Love and attaining the fulness of the SPIRIT OF God will be discussed. If Enoch, Moses, and Elijah could break protocol under Old-age covenant and defy going to sheol/hades, you can not BUT attain the peak of the bar and be fulfilled in this New-age-life, inside the kingdom of God, which is here right with us now and to be lived.

Get ready, for so much hidden truths that will be unveiled again and the unction to function will be released from rhema-words of God.

Let's board the flight prayerfully. Because the safest flight to a fulfilled-life is in the Fulness or Completeness of the SPIRIT of God in you.

Chapter 1

The Promised SPIRIT OF God

Baptism in the SPIRIT of the Holy-God is to be immersed in a big measure of the SPIRIT of God. There is a huge difference between a splash/sprinkling from a cup full of water and a flooding from a River. Big measure of the SPIRIT of God automatically carries Mighty and dynamic Power for mighty deeds.

It is one thing to be Christian, it is another thing to be Christ-Like. Every believer in Jesus Christ is called "Christiano". That is greek language. CHRISTIANO means Christ-followers or Messiah's Followers. All people, not just many are called, but few are chosen/elected. The chosen ones are those, that do not stop at just making heaven but become like Jesus in fearlessness of death, casting out demons, working of miracles and wonders, teaching with authority as oracle or ambassador of God, full of power and grace to champion

a cause that is considered unrealistic, and loving everybody selflessly like Jesus in the kingdom of God on earth.

I will quickly hand out some facts about the SPIRIT OF God from the scripture and I want you to prayerfully follow it up with understanding.

Israelites came out of Egypt and passed through Reed Sea. 'Reeds' are the type of plants found around that Sea. Apostle Paul, in his theology, liken the baptism of John to that experience. He concluded that, it was like considering them, dead in the middle of the sea and brought back to life again (Rom 6:4, Col 2:12). How much more when the full measure of the SPIRIT comes inside you, a mortal flesh and body will be instantly quickened and come alive forever (Rom 8:10-11). HalleluYah. The same John, the baptizer said of Jesus Christ, that, He will immerse His believers

inside HOLY SPIRIT. 'BAPTIZO' is a greek word while 'IMMERSION' is the English. John the baptizer, immerses those that confess their sins before him inside water. It was a usual practice for Levite-Priests in Judaism to sprinkle water as a symbol of cleansing a sinner. But, John came up with a different and weird approach as given to him by God, not to splash but to immerse sinners, fully inside a river. That, of course, requires a large volume of water. JESUS has come and ascended to heaven, to finalize the release of this abundant volume of the SPIRIT of God, for Christians to be immersed in. The first Adam lost eternal life and became a mere living soul who carries a measure of SPIRIT just to barely live for 120 years. But the latter end Adam, Jesus Christ, is a Life giver. Carrying sufficient and overflowing measures of the SPIRIT (1Cor 15:45, Jh 3:34). The SPIRIT is invisible.

So, HE fills you inside and outside.
Rubbing all over you, in such a way that
just your touch or a touch on your body
and even your shadow can release unction
for Miracles. We are talking about
overwhelming presence of the SPIRIT of
God for individuals. And, Just like water
of John will cleanse the outside of the
body, the SPIRIT OF God like Fire will
purge and perfectly clean, even the one as
irritating as a thick threshing floor with
sputum (Matt 3:12). Making you
blameless from all allegations of the
traducer.

(GAM TRANSLATION) MATT 3:11: I,
indeed, baptize you in water unto
repentance; however, He that is coming
behind me is Mighty/Powerful to me,
Who, I am not a competent one, that He
will lift His sandal for; He will baptize you

(make you whelmed) in Holy SPIRIT [and in Fire].

12 in Whose Hand, His wheats will be thoroughly cleansed up/purged and gathered together into His storehouse. However, the chaff/grains-integuments (illegal allegation from traducers), and sputum/spittle, on hardened-threshing floor, will be burnt down in His unquenchable (asbeston) FIRE. (ref: Jer 4:11; Isa 41:16).

Three things are being pointed out here via baptism of the SPIRIT:

Cleansing/purification power, Coming alive from potential dead state; and Spiritual Empowerment.

Here is another clue. At the marriage in Cana of Galilee, the drums of water was for ablution according to Jewish marriage-

setting. The real and yet symbolic wine to be gulped or swallowed, in the same drum by Jesus Christ, pointed at the cleansing power of the SPIRIT that will fill the believers in His Name and Authority.

In terms of Power, just as splashes of water can not move a ball away from a spot, but the outpouring of a bath, full of water will carry enough energy to sweep away even a heavy stone; the Christians are endowed with Power 24/7 when the SPIRIT comes (Joel 2:28) inside them. The intensity is constant because in HIS PRESENCE, there is no turning of shadow; no sunrise or sunset (Jam 1:17). This experience is independent of feelings or the state of your religious-based-holiness. It is purely divine endowment and gift by God's Grace through Faith. Tell those who are seeking for the power in grave-yards and with occult groups like

illumi-nothing, that Christianity is all about Power, the greatest Power of all time, for that matter.

Theology of Apostle Paul is so vast in this area. PAUL mentioned the promise to the patriarch or father Abraham in Act 26:6 that, the blessing of Abraham to the non-Jewish nations is not in possession of cows and goats and vast parcel of land but THE SPIRIT of JEHOVAH. When the SPIRIT comes, every other blessings will surely follow (Is 32:15, 44:3, Ezek 36:26-30, 39:29).

GOD came to tell Abraham that for every successful deal/transaction, his shield will be in God and God will add to Abraham, more of HIMSELF as salary or zakar (Gen 15:1). GOD is talking about HIS SPIRIT. But, Abraham was so myopic, and started grumbling about having a baby. So, God Immediately instructed him in Gen 15

verse 5, to go out and compute or reckon the stars in the sky in regards to how numerous his children will be. By Faith, Abraham obtained Justification that night. Justification is only by Faith/persuasion. Cool! Good transaction, good gift (Rom 11:5). But that is not all. Not long after that, Abraham in addition, got a son named Isaac. God came again for another transaction. Go and offer that "only darling loved" boy of yours as sacrifice. Haan! Henn! Ho o! Did he hear God correctly? Can he dare tell Sarah? I am very sure, if Abraham had killed that boy, he would not return to that house again. Abraham proved that he AGAPAO or selflessly-LOVED Jehovah more than that boy. What a large Faith, working with Selfless Love, and believed that God can raise up the boy again (Heb 11:19). How Mighty is God to you? This is the place of work in the journey of faith according to James

(Jam 2:18:22) and from all of James' examples, it can only be a work of selfless-Love. The first reward or salary of Abraham for this successful transaction again, was that, Abraham was already carrying more of the SPIRIT in his generation, in such a way that he created a separate section called "Abraham-Bosom" inside sheol. The second reward is the Promise of the HOLY SPIRIT for entire human race, that we are talking about (Gal 3:14, Eph 1:13). This promise is without condition or any merit of man (Gen 22:16-18, Heb 6:13-18). For Abraham, even far back in his own days; his Justification was unlocked by Faith while his enduement with more of the SPIRIT was through expression of Agape-Love. What a lesson for Christians!

Jesus has done the main job, just have Faith in Him as the newly installed Lord of

the earth and profess your faith, to claim your Justification and walk in His teaching of selfless Love to be promoted and take over in Spirit realms while on earth.

Sheol/hades will have NO power over you any more. All demons put together will fear you. There will be No fear of death or anybody or any terrorist again for you.

Chapter 2

Seven Lamps or Seven Eyes of the SPIRIT OF God (Part 1)

"Seven" in Hebrew is a sacred number that means "full" or "completeness". It can be used as a verb in a sentence: "you can seven a promise". This means, you have fulfilled the promise. You can also say things seven times, which is like swearing on oath, in that, you will surely do what you have said.

GOD is ONE and HE is SPIRIT (Jh 4:24). This same SPIRIT, do proceed out from God unto men. The seven or fullness of this Spirit was upon Jesus christ, for He was given without measure (Jh 3:34).

Jesus Christ of Nazareth was immersed in this SPIRIT of the HOLY ONE and travel around doing philanthropic services and

performing miracles because God has been in Him (Act 10:38). Jesus could not do without The SPIRIT of God. So, how will you please God without HIS SPIRIT. Even Jesus had to offer Himself by the same SPIRIT (Heb 9:14). Your worship can only be acceptable when it is offered loyally by the SPIRIT (Jh 4:23).

The Promise of this SPIRIT of God was fulfilled, upon about 120 disciples, on the immediate Pentecost day that followed the ascension of Jesus Christ. Pent is a prefix that stands for 7. So, Pentecost day is a yearly festival of the Jews on the 50th (7x7) days after Passover. That usually fall on the day after the 7th sabbaths week from Passover (Lev 23:16). Pentecost is a celebration and a feasting day in Judaism. A lot of people of different languages will travel to Judea, dancing and feasting around. Christians, like Peter were not

among them, for the first time. They had been thirsty and hungry for the Promise of the SPIRIT. Finally, the Outpouring of the SPIRIT prophesied by Joel 2:28-29 happened. The miracle happened. The advert they did not pay for, that brings 3000 souls into Christianity, and more than the number they can imagine, came into a crusade they never plan for.

We have two types of languages or tongues on that day. The Angel tongues or tongues that are unknown on earth and a known earthly language from a stranger to that language. The former is majorly to build oneself up in the inner man and if it can be interpreted, it is a miracle. The latter is to prophesy in an unacquainted language to the speaker, which will be of benefit to people of that language. It was a proof of immersion in the Holy Spirit then, and it is so, even now, that the power of

God is present. Therefore, the evidence of baptism in Holy Spirit is ability to walk in miracle when you evangelize, in which speaking in a strange tongue is just one. This indicates the program of God that new-age message must be preached to all nations of the world in their own dialect. Christians spoke unacquired languages on that day, which attract people of these languages to come around to find out about this miracle.

Acts 2:8-11

4 And the Spirit of the Holy ONE fill up everybody, and they begin to preach in different other tongues (language) just as THE SPIRIT gives them to speak forth plainly.

5 Also in Jerusalem are Jews-dwellers, and devout men from all nations under the sky.

6 Nevertheless, at the sound of this, multitudes happened to gather together, and were confused for each one hears them preach in their own dialects.

7 Howbeit, being put out of wits and wondered, saying, all these ones that we see speaking, are they not Galileans?

8 And how do we hear every one in our own dialects, in which we are born?

9 Parthians, and Medes, and Elamites (Persians); and those of Mesopotamia dwellers (Asia region between Euphrates and Tigris), Judea, and even Cappodocia, Pontus (sea) and Asia;

10 Phrygia, Pamphylia (all tribes), Egypt (land of Nile), and a division of Libya (Africa) around Cyrene (Africa), and those of Rome residing here;

11 even in addition to Jews, are the proselytes (the new converts to Judaism) from Cretans and Arabians, hearing them, speaking magnificent things of God, in their own languages,

I counted nothing less than 10 different languages among 120 people. So, We are not sure, whether Apostle Peter himself spoke in any different known language of men. Speaking in another language is not the proof of Holy SPIRIT baptism, rather it is one of the important miracles that glorify God. They were actually preaching or prophesying in a language that will reach out to the intended strange audience. Remember Joel said, they will prophesy or speak. So, what happens that day, was that, many spoke in unknown earthly language while others spoke in about 10 known-earthly-languages which is unacquired by the speakers i.e, those who have not either

naturally or by being familiar with the people, learn the language. So, People were confused because of the wonder of this miracle, just like when this languages were GIVEN during the construction of the tower of Babel (Gen 11:7). That was the first time, they had, mixed/mingled-languages at one place at the same time on the earth.

[note: in Gen 11:7, the first two words "Go to" in kjv was incorrectly translated. The word is GIVEN, and the word "Confounded" in kjv should be correctly translated as Overflow by MIXING up]

Some scholars said, the original and the only language on earth before that event was Hebrew language and that, the only Godly man who refused to join them in the arrogant venture of building that tower was called (H)Eber (Gen 10:25), from

whom the name of the tribe - Hebrew was coined.

Apostle Paul came up with the term "unknown language" or language of the ANGELS on earth, whereby, Christians communicate and pray by/from/through the SPIRIT, not unto fellow human but in the spirit realm. It is a miracle as well, because it will take another human in the spirit realm to receive the same message in a known language and communicate it to the people around. The first one is a known earthly language but miraculously spoken by an unfamiliar person, while the second one is unknown earthly language understood in the Spirit realm and which can only be unbundled or translated by someone in the same realm. Both of them are languages to express inspired words (prophecy) on new-age (Kaine), which no one should be forced or train, in any form

to utter/speak. Recognition of the Reality of the SPIRIT of God in individual is the only factor. So, you can only teach individuals, the Personality and Operations of the SPIRIT Of GOD.

Restoration of the Full SPIRIT of God to man is not about, having plenty volume to go round the slaves and children, the adults and the young ones, the citizens and the foreigners. NO. Joel prophecy was clear on this. The slaves, equally like sons will have the SPIRIT poured out upon each individually. Each one carrying the SPIRIT of God in fullness. Prophet Ezekiel was one of the post Babylonians Prophets that prepared Israel for the coming of the Adonay or the Don of the Earth.

Ezekiel was in a vision to see things that will happen later. By walking through a healing and living waters, gushing out

from the front part of a house, in steps of one thousand fore-arm measures, he discovered what happens to the depth or the volume of this salvation water.

This is KJV of Ezekiel 47:3-6

[3]And when the man that had the line in his hand went forth eastward, he measured a thousand cubits, and he brought me through the waters; the waters were to the ankles.

[4]Again he measured a thousand, and brought me through the waters; the waters were to the knees. Again he measured a thousand, and brought me through; the waters were to the loins.

Verse 5, by my direct translation from the Texts: as he measured a thousand, and it is a water to cross over to an Estate, but the water has mounted up that we CAN only cross over to the Estate by swimming.

[6]And he said unto me, Son of Adam, hast thou seen this? Then he brought me, and caused me to return to the brink of the river.

We found out, that, the distance is directly proportional to the depth. By one thousand fore-arms journey, the water was to the ankles. Another one thousand, it was to the knees. NOW, IT IS three thousand, and the volume was to the waist. By the time it will be Four thousands fore-arms-measures of distance, it is going to be a mighty river, which you can only dare to cross by swimming. The man returned to the brink. Why did he, only see the Estate, but didn't swim and cross over? Many Great men of that age, only receive the grace that only do exploit that reach only up to their waist. I have a Personal Authority to tell you this:

**>>>THIS IS THE GENERATION
WITH a GUSHING ABUNDANT
volume of WATER OF LIFE that
REACHES UP TO OUR NECK in
which we ought to be swimming <<<**

It is left for us to utilize it. A drowning volume in which you can only float. For those who do NOT know how to swim, no cause for alarm. All you need to do is to relax and allow yourself to buoy on the waters. No exhaustion, no competition, no struggling. Don't ask how or try to mentally dissect it. The only requirement is a selfless state of heart of Love. You only have to believe and boldly speak, and by the SPIRIT, you will be established.

Definition of Miracle and Examples.

Miracle is the act of doing the impossible to the glory of God. While magic is to peep and do the same (impossible things) to the glory of Self. Miracle is an event

that is happening for the first time in history or an event that is happening again in another bigger form after the first time.

Moses turns a rod into a snake, before the Egyptian-magicians peep and do likewise.

Moses parted Reed sea, creating water-wall or a dam for the first time. Joshua stepped inside and stop the direction of flow of river-Jordan for the first time.

So it was not special again when EliJah and Elisha stopped the flow of Jordan, therefore, Jesus Christ walked on the sea for the first time.

A Great prophet Moses, lifted up his hand and there was victory in battle (2Chron 20:21), ordinary king Jehoshaphat by a COUNSEL from a prophet, got victory for Israelites by carrying tambourine and drums and harps and trumpets, turning a battle field to a worship ground.

The Great high priest Aaron present sacrifice and fire came down from the sky. Ordinary king Somolon also offered a thousand bulls from a loyal heart and fire came down.

Moreover, a great Prophet Elijah, for the first time, drenched the altar with water before he utters a word to send down the fire. Samuel as a Prophet gave Saul, a targeted and irreversible words by the SPIRIT OF COUNSEL, while going back home from searching for his father's asses. The same Samuel as a Priest offered a sacrifice to God, causing thunderstorm and lightning to discomfit the Philistines in the face of all their weapons at Ebenezer (1Sam7:10). Great Elisha also gave targeted and irreversible words by the SPIRIT of COUNSEL, to the king of Israel and Judah, on their way to fight King of Moab, though something went

wrong somewhere (**to be discussed later**) but all the COUNSELS were intact at every juncture except the final victory. Elisha gave COUNSEL by the same SPIRIT to a leprous Captain Naaman of Syria. Great Prophet Isaiah reversed the counsel of the EMPEROR of Assyria, planning to attack Israelites during the reign of king Hezekiah. Ordinary King's friend, HUSHAI reversed the counsel of Ahithophel, which he gave against anointed King David (2Sam 17:23). Joshua stopped the rotation of the earth for the first time, at the valley of AJALON (Josh 10:12), which stopped a day-time from going down for about a day. Isaiah completed the remaining minutes to make it a full 24hrs when he gave king Hezekiah a sign (Isa 38:8). Elisha multiply food by feeding the unknown number of the sons of prophets for the first time, so, Jesus Christ multiply very migre available food,

two times, to feed 2000 and 5000 adult males with unknown number of adult females and children in two crusades. Elijah raised the dead-son of Sarephat-widow the same day. It was not new again when Elisha raised the dead son of the rich woman that gave him hospitality, in the same day. But, Jesus Christ raised several dead bodies, the same day, until the case of Lazarus. He waited for as long as Four days, when Egyptian-Magicians would say, it is no more possible, because his soul must have gone far away. Shadow of Apostle Peter worked out mighty deeds, Apostle Paul raised champions like himself within the non-Jewish Christians. Many acts of the SPIRIT OF God are not mentioned because they were not recorded in The Holy Bible. These are the Acts of the SPIRIT in the Apostles that Angels stoop down and desire to see (1Peter 1:12).

Somebody said this and I love it, Jesus didn't go to heaven with any secret. APOSTLE Paul and the rest didn't leave the earth with any secret. They pour their hearts in a book, and leave them behind. Waiting for who will unveil this open secrets. Again somebody prophecied this "the best of the Church of Christ is not in yesterday, but rather right here before us today and tomorrow". Jesus travelled around, doing miracles, because This SPIRIT of God is in HIM. JESUS sent the Apostles out and gave them unction to perform. The SPIRIT that will make the ordinary to do the extraordinary. History will not forget, ordinary plumber that becomes a Christian General, a British Evangelist, Smith Wigglesworth would travel around to put to work, This Holy SPIRIT in him. What about me? Pause! If others are doing fake miracles and magics, read on, you are not ordinary, if and only

if, you can just be hungry and thirsty enough to do the original miracle, but promise, you will give God all the glory.

Chapter 3

Seven Lamps or seven Eyes of the SPIRIT of God (Part 2)

Let's examine the relationship between a lamp and eyes. (Lk 11:34 & Matt 6:22) **A lamp is for the eyes of the body; in case, your eyes were complete, then, your whole body will be bright/illuminated.**

Without a light from a lamp, even good eyes will be useless. A Lamp will produce light for every open Eyes to benefit from. If seven Lamps are radiating Spiritual Light, the more your eyes, the more of

advantage it is for you. The Four Living Creatures before the Throne of God in Revelation 4, have These EYES all over their wings. We have also learnt that, JESUS CHRIST, the Lamb of God, is carrying the SPIRIT of God, not in small measure (Jn 3:34). The 7 burning Lamps around that Throne are radiating 7 different spiritual lights of This SPIRIT of God to every ONE and every Thing in HIS PRESENCE, so, individual benefits, will depend on, how full/complete/seven, their eyes are and the readiness to open their eyes and look in the direction of the light. I don't want it to sound complicated. So, Let's see things about this "EYES" in the old testament:

A Post Babylonians Prophet, Zachariah, said there are 7 EYES upon every STONE before Joshua, the Priest.

GAM Translation Zach 3:6 stone is given before Joshua - on one stone are seven/full EYES. And Like carving out a sculpture, the Oracle of Jehovah of heavenly Army says, remove the iniquity of the land this day altogether.

Before the next old testament book, THIS same seven Eyes, which are for the seven or full or Complete SPIRIT of God have been sent all over the earth for all the Children of God in Rev 5:6.

Now, listen to the prophecy of Zachariah to Governor Zerubbabel, to prepare him for building the wall of Jerusalem;

Zach 4:10 why despising the day of small/little things? Cheer up and see by the full or seven EYES of Jehovah - Stones and Tin-alloy in the hand of those who are being pushed up and down over the earth under Zerubbabel.

Imagine that! So, as far back as the day of Governor Zerubbabel, a prophet of Jehovah could see or encourages them to see with the seven/full EYES of Jehovah, what the Governor will be doing concerning the building in Jerusalem.

Christians are called Living Stones to be built and to build others by the Truth, in the SPIRIT (1Pet 2:5). And from Zach 3:6 above, he saw every living stones, having sculpted out iniquities from them, they are having seven eyes. You can only see the spiritual (lights) with spiritual eyes.

The summary is that, each Human beings as a Living STONE has the potential of carrying the full load of God. Fullness means, every contents that must be there are present and the container himself is filled to the brim. This also is like 6 and 1 lights of the SPIRIT. The 6 of the lamps of the SPIRIT of GOD are listed in Isaiah

11:2 and the seventh ONE is referred to as the SPIRIT OF Jehovah but mentioned in Zach 4:6-7.

They are: the SPIRIT of KNOWLEDGE, UNDERSTANDING and WISDOM.

Others are The SPIRIT of COUNSEL, MIGHTY-DEEDS and REVERENCE.

And the seventh ONE is the SPIRIT of all Divinely-Right-Characters in Heaven (Rev 15:4).

It is the SPIRIT that distinguish JEHOVAH HIMSELF. THE SPIRIT OF GRACE, selfless-LOVE, MERCY, FAVOR, JUSTIFICATION, HOLINESS e.t.c. (G3721). This is greatest to the first six. Meaning, to have some or all of the first 6 without the seventh one may be unprofitable. Angels don't have that

seventh one. Only humane human-beings have it.

This 7 operations of the SPIRIT of God have been sent all over the earth to the believers or Christ-Followers. However, to be like Jesus, is to be filled with full measure of these SEVEN operations of the SPIRIT of God. In summary, The evidence of baptism in Spirit of Holy God is to begin to function in these 7 operations of the Spirit of God.

****To operate purely as SEER, the SPIRIT OF KNOWLEDGE, UNDERSTANDING AND WISDOM are paramount, though not limited to the office of a SEER alone. They know by seeing, or they have knowledge by seeing, and speak what they see. They should understand it first and apply the understanding of the knowledge as a wisdom to produce results. The Seers requires Learning process and Maturity**

under Agape Love, for them to optimally produce fruits in the kingdom.

The secular application of knowledge, understanding and wisdom as read in the book of proverb is good, if tamed by agape-Love to give glory to God.

Solomon, including those who worked in making utensils in the building of the first temple in Israel, operated by the spirit of wisdom for creation and right decision/judgment. So, to make right decision or judgments; adequate and correct information/knowledge from people or by visions, dreams and trances will be granted so as to see and know at present, into the past, and then apply the understanding into the future.

****To operate purely as the SENT one or an APOSTLE, the SPIRIT OF COUNSEL, MIGHTY-DEEDS and REVERENCE must be at work. When your words, never**

fall to the ground. And You can even overturn the operations of a SEER to some extent.

Most often, people operate in different combinations, without definite order. So, it is possible to combine the SPIRIT of KNOWLEDGE and COUNSEL, so that, he can see to tell you the past things and give counsel on what to do. The problem is the type of COUNSEL that they give. A perfect understanding of gospel of Christ is important for both the Seer and the member of Christ body. Gospel means good miraculous news of salvation and selfless LOVE of Jesus Christ. ANY message that trample on the Selfless/Agape-Love of Jesus to you is of self and of the devil. If you, as a Seer is not given any Knowledge about someone, must you always concoct something which most often are dreadful so as to bring someone

on his knee? Must you say something about the mother or someone else when those ones do not directly approach you? The gateway or access to your life can only be open up to ANY SEER by your permission, except on special occasions that requires divine intervention by God.

Everybody is made of both spirit and flesh. So, people can be very callous against one another when they feel offended.

The Seventh that cover over all, can override or reverse the operation of all the previous 6 if abused. This is the SPIRIT OF Jehovah HIMSELF. This is The SPIRIT of Agape Love, Mercy and Grace that truly triumph over any condemnation or judgments of any kind.

Note: the SPIRIT of wisdom and knowledge are not the same as words or logos of wisdom and knowledge stated by Paul in his analysis of giftings by his

"sunesis" or breaking down of the truth about the gospel. He arrived at these words of sound wisdom and knowledge while he was scrutinizing the prophecies of the Holy SCRIPTURES; the Psalms, the accounts of the Patriarchs and his Personal encounters, etc with salvation in Christ Jesus. Anyone who is rich this way and can contribute to easy persuasion of unbelievers as well as to deepen the understanding and growth of believers is a Theologian to follow. Apostle Paul was very rich in the wisdom of God, that was hidden for ages but has been revealed in this end time to ensure salvation of mankind. That was what he called the word or logos of wisdom and logos of knowledge.

*Some academic theologians had come up with the theory of trinity and other mysterious fallacy that has led to

persecutions and death of so many Christians because those assertions are very offensive and heretic to the religious people. Even an intolerant Judaist, up till today, will stone you with such statements. And the killers in question are the people of the world that we are sent to save, but they are being approached with foolish assertions like three Gods in one, No! You will explain tired. They end up saying, "you can't understand because it is a mystery". They should stop creating more trouble with their academic philosophy which is inimical to peace and reconciliation assignments of salvation project. It is heretic to discuss anything that suggest existence of 3 gods. No matter how you coin it, it is stupid. GOD IS ONE. God is SPIRIT. And this SPIRIT IS HOLY. THIS INVISIBLE HOLY SPIRIT do proceed from GOD and make all Angelic Elohim and Human Elohim which

includes Jesus Christ, who is the Last Don and Adonay of the earth. If you, as individuals with a deposit of the SPIRIT of God disconnect yourself from God like satan, you become an opponent with a corrupted or unholy spirit. Jesus Christ never and will never disconnect Himself from His Father, and He taught us the same thing, so as to live forever. Satan and its immitators, that have severed themselves to receive worship and glory for self, already have their doomed-end determined.

The term "trinity" has created more chaos, persecutions, enmity and more killings of Christians from different quarters all over the world. We are to save lives. Imagine if the blood of all victims will be demanded from those parading this religion-irritating-propaganda!

[The term "trinity" existed in documents before Christianity arrived. Probably around 205 B C. The Egyptians mythology had it that, a song/hymn to Amun written in the 14th century BC defines the Egyptian trinity: 'All Gods are three: Amun, Re, Ptah; they have no equal.

The Egyptians have their own trinity, not in the manner (of beliefs of some) Christians but separately, Aser, Aset and Heru. So do the Greeks, Osiris, isis and Horus. The Hindus have Brahma, Vishnu and Shiva. The number "three", was associated with the concept of completeness and harmony in Egyptian worldview] . But, I can tell you categorically, that In Hebrews, only seven represent completeness, not three. And salvation is of the Jews. [The doctrine of Trinity was first formulated among the early Christians (by mid-2nd century and

later) and the fathers of the Church as they attempted to understand the relationship between Jesus and God in their scriptural documents and previous traditions]. This diagram explains their original concept, so don't help them to panel-beat it.

The Father >>> is not >>> the Son

is is

is not is not

God

is

The holy SPIRIT

there are several statements in the diagram above, the 5 correct statements are:

The FATHER IS God.

The Son is not God

GOD is the HOLY SPIRIT,

The Father is not the Son,

the Son is not the HOLY SPIRIT.

The incorrect statements are:

The Father is not God. Father is not holy spirit. The Son is God.

Import of a wrong statement like "Jesus is God" or "Holy SPIRIT exists as a separate person from God", is absurd and a mere academics. HOLY SPIRIT IS THE FATHER OF Jesus Christ. JESUS said, My Father, WHO is in Me, is doing all these things. THE ONE IN JESUS IS Holy and HE is the SPIRIT from the FATHER/ABBA (meaning: the Source of

my Life). How can you be a father and the son at the same time? Angel Gabriel told Virgin Mary, that, Holy SPIRIT is the ONE that will accomplish all that I have said.

So, the Father created the Son. Jesus said My Father is greatest to Me (Jh 14:28). Apostle Paul said Jesus will hand over everything back to God (1Cor 15:27-28)

27 for, it was said, all things shall be put in subjection under His feet (Ps 8:6). But, whenever, all things shall be put in subjection, it is evident that The ONE (God) who put all things in subjection to Him is exempted/outside.

28 but, whenever all things shall be put in subjection to Him, at that time, even the Son Himself will be submissive to The ONE Who subjected all things to Him, at least, **for God to be all in all.**

PLEEEASE, honor, Respect and address, the Holy SPIRIT IN you as God, no matter how, in small measure you feel HE is in you. This will help you to do mighty things even at your lowest ebb. That is why, Paul said, he can boast in his weakness or lowest level because those periods offer a better opportunity for God to replete and fill him up to show HIS MIGHTY-DEEDs which is void of any glory or merit of man.

Every Child of God has the potential to operate with full/seven operations of the Spirit of God, Who has been sent all over the earth since the day the disciples received the promise of the FATHER to the fathers/patriarchs, in upper room. If you have ever craved from the heavenly Father ([the source of this SPIRIT](#)) by Faith in the Name of Jesus Christ, you are a potential manifestor. However, like a

closed eyes or staying where the lamps are quenched/obstructed, there will be no manifestation.

Some may operate in one or few of this endowment or gift of the Spirit but not in fullness. Remember, the delivery is guaranteed if you thirst for the remaining, purposely for the sake of Love.

If you are rich with some millions of dollars in your account, how miserable it is, if you are not rich in the precious gift and rewards of the 7 operations of the Spirit of Holy God. Let me tell you, they are yours, to profit with and reign with, now on earth. I meant "the earth", because there is no devil to reign over in heaven. The gift is Not for some few that have been found unprofitable because, they are yet to overcome "self/ego" and failure to give all glory to God.

You can be part of the **Eleventh hour (5pm) Labourers** of Lk 5:45 and one of the **MEN on White Horse** in Rev 6. Well instructed, specially trained and equipped to replace the old cargoes and give a final knock out of victory to meet up with late minute goals in this end time harvest.

The operation of the Seven SPIRIT, is here discussed.

1) **The Spirit of knowledge** makes God a Heart-knower (Act 1:24, 15:8). Many times, Jesus perceived the mind of His disciples and people. Jesus forsee the past of Nathaniel and the woman at the well water in Samaria by the SPIRIT OF KNOWLEDGE. Paul perceived the imminent danger on their voyage to Rome. Prophet like Michaiah (1 King 22), could know what happened in heaven and why other prophets were lying before king of Israel and Judah. Book of Genesis 1, could

only be written by the SPIRIT OF KNOWLEDGE in Moses. Visions, dreams and trances are medium of this Revelation of knowledge whereby you can see what you are being told. And This SPIRIT can be more sensitive in some people than others. And that must not be a reason for jealousy. The story of Balaam and Moses is a good example. Balaam, truly was so acute in operation of this SPIRIT of Knowledge and Wisdom. He was a man that would see trance unveiled, before his two eyes like plasma TV. Moses could be jealous of him, but he was not. The abuse of this spirit in Balaam, to bring Israelites down is the main reason why Moses ensured that he must be killed. The SPIRIT OF GOD is not for money gain. If it is for covetousness, you are on your own. But If it is for the furtherance and expansion of the kingdom of God on earth, supremely blessed are you.

2) The SPIRIT of UNDERSTANDING gives the ability to accurately ruminate and precisely interpret the knowledge. Jesus could discern correctly, the signs of the end time by the SPIRIT of UNDERSTANDING. Egypt at a time, like in our world today, was in need of a dream interpreter and not a dreamer as Prime minister. So, Joseph had to be developed beyond being a dreamer. This is the level, at which, you can break down the knowledge that you have, to the level of understanding of a kindergarten. There are serious issues encountered with dreams, because of lack of understanding. And that is the reason why many have come up with a negative gospel. This is what I meant. If you truly see Jesus in your dream or vision and He appears to be sad, or angry and you come up with understanding or interpretation that Jesus is angry with his own very Church, you will end up

preaching fallacy. The same church He loves so much and their salvation cost Him, His blood; whao! No body can produce righteousness or Justification by himself. The Gospel says, Justification is by Grace and nothing but Grace, saves man and only the SPIRIT of God can sustain man's salvation till the end. Not by any self-will or determination. A message that trample on Grace is a fallacy. What good work will you attribute to the robber, crucified with Jesus, who spoke from right-side? Should someone make heaven by luck and others by passing through different categories of terrible test? If I see loving Jesus angry, He must be expressing His feelings on lackadaisical attitude and passiveness of church to remain static as mere christ followers, instead of becoming Christ-Like. He must be angry with the church that fail to keep His only injunction of AGAPE/selfless-LOVE to everyone as

He Loved them. He must be angry, that you guys, who had been called since, 9am, 12pm, 3pm are not delivering as expected but you are more into manipulating what will be your gain, differently from others. He is angry, because, He will be forced to go out again by 5pm (eleventh hour) to find the game changers who will learn from mistakes of those old ones and be well equipped to be accurate in sound doctrines for maximum harvest.

If you ever see Jesus, turning His back at you, and talking to someone else while you actually heard everything He said; by a wrong understanding, someone would say, Jesus is angry with me for not coming out on time to preach. Preaching is with dignity. Many have resigned from lucrative secular job, saying that, this "loving Jesus" in quote, will kill or has killed their children, when they refuse to

come out for full time ministry. What an irony! Such people will only preach another gospel, as Paul called it: e.g. "a sinner in the hand of a terrible and fierce God" . The Spirit of Understanding or interpretation is very critical. Jesus turning His back at you, yet speaking to you, is about, how people will not accept your message at first or even persecute you. A Seer may have SPIRIT of Knowledge without SPIRIT of Understanding. Thanks be to God, Who will cover up or fill up our inadequacies. God will still do what HE wants to do by giving the Wisdom and Solution to the issue on ground. Nevertheless, it is lack of Understanding and maturity, that will make a Seer to reveal secrets that can scatter a family in the public.

3) The Spirit of Wisdom involves application of the understanding of the

knowledge. Wisdom is the application of the processed information. The Spirit of Wisdom speaks and acts. Wisdom make things happen when the understood-knowledge is applied correctly. Jesus advised the Israelites, after the prophecy of the most terrible afflictions that will come up during 3 1/2 years of the antichrist, that anybody in the farm or on a journey, must not come back home. And that pregnant Isrealite-women should take note to know what to do, and prayer should be made that the day, in which that bastard will come out of the sea, must not fall on sabbath day, when everybody in Israel will be at home. Do they take it serious? Some of you can shout "come Lord", "come Lord", but fail to apply the wisdom from the event that will happen, before the arrival. Please, if you are close to them, remind Israelis, or you do the prayer on their behalf. The antichrist will surely come,

before the arrival of 1000 years reign of Jesus, and please note that, those events are yet to happen.

King Solomon handled a case of two women with issue of who is the right owner of one dead baby and one living baby at hand. King Solomon commanded the living baby to be killed and the true mother of the living baby, by her compassion for her baby, demanded that the baby must live, even if the baby is not given to her. Look! supernatural vision of the past was not involved here, but the SPIRIT of Wisdom based on Knowledge and Understanding by hearing from each woman ignite an action that proffer correct judgment to the matter. I want to emphasize that, the SPIRIT of WISDOM is not limited to a supernaturally revealed truth alone but even in a secular world, after a short silent prayer to fix a puzzle

and by just relaxing your heart with a good sleep, you can wake up with the SPIRIT of WISDOM, ignited in you to hear or know exactly what to say and what to do. You are not ordinary. You got SOMEONE inside you. HE IS the SPIRIT of GOD. The SPIRIT of WISDOM in Joseph proffered the actions to be taken upon on-coming famine in Egypt, based on supernatural UNDERSTANDING or interpretation of the Supernaturally revealed KNOWLEDGE from the dreams of the King Paroh.

There can be Satanic wisdom too. Having known of the knowledge that Adam must not eat of a particular fruit in the garden of Eden, satan directed a forward question to his wife. The bastard was able to corner her in a cunning way and get her to eat it against the desire of God. The SPIRIT OF WISDOM of the HOLY GOD is pure,

loving and of good fruit without any hypocrisy for selfish gain (James 3:17). Just imagine a Seer or herbalist that ask you to go and bring big white cows and drums of palm oil when you visit him for lack of job. Don't get me wrong, the leadings by the SPIRIT may appear foolish to us sometimes. I am only opening your heart to the operation of true SPIRIT of Wisdom and how your personal relationship with God can save you from terrestrial wisdom that will only take advantage of your ignorance. And, again the Maturity of the Seer or the Man of God involved determines the kind of leadings he will give. For Prophets that always see blood, danger and death, the antidote is to cross examine the source and the kind of information they are fed with. Gospel is a good news of salvation by Grace with gift of Justication to the undeserved people by a Loving Jesus who will not for any reason

play cards with their welfare.

JUSTIFICATION is the wisdom of God to beset the offence of mankind once for all and no devil can question it. If you read His prayers in gospel of John, you will conclude that to lose Judah Iscariot is so painful to Him. Even the Sinners were welcome by Jesus Christ simply because of this. Read the GAM Translation of Matt 11:19 & Lk 7:35

MATT 11:19 a man has come, eating and drinking, and they say, see a glutton and a wine drinker/tippler, what a friend, even to sinful tax-collectors! So, the wisdom is to JUSTIFY the children of Adam away from their works/deeds.

LK 7:34 the Son has come to men, eating and drinking, and you say, behold a man, a glutton and tippler, a friend of sinful tax-collectors.

35 So, the Wisdom is to justify their children from everybody.

Even if, as a Seer, you see anything negative, you dont vocalize it anyhow. You are dealing with a precious soul for whom Christ died. Rather than bringing fear, you will take up the responsibility to do something about it. So, the office of a Seer is not for babies and nepious. This is the reason, I am writing this, that no one should stop until the seven lamps are the focus point of the full/seven spiritual EYES of every *Living Stone" in the church.

4) The Spirit of COUNSEL gives accurate advise or steps to take for a determined results. If a greedy son of Adam like Ahitophel could walk in this, how much more you, who has been redeemed by Christ Jesus. Elisha only gave instruction to the widow and the miracle of oil

polymerization occurred for the first time. When there was poison in the food, and when a borrowed heavy axe fell into a river, just a counsel settled the matter. EliSha operated so much in this SPIRIT. He didn't have to see a vision so as to know why, and try to understand, so that he can apply wisdom on what to do or not to do. Who knows, may be it was one sin that cause the death of the husband and witches in the family of the wife were behind her ordeals.. Bla bla blah... I said all that for a reason. Elisha, just gave a targeted and irreversible COUNSEL and there was a miracle of multiplication. Where is hard-work or sin when Mercy is talking? Who is this Elisha? Why will such a man died? His Master, Elijah broke protocol of his generation by walking out of this earth, alive. Elisha was an extension of Elijah. He was to accomplish what EliJah could not finish. In the days of

Elisha, king of ISRAEL eventually agreed that their ordeal was due to their failure to serve Jehovah. As soon as the king confesses that, Elisha only gave a COUNSEL again and the following day, the cost of food in Samaria was as good as being free. CHRISTIANS are extension of Jesus Christ. Our assignment is to cover the whole world for Him. We can not fail. JESUS needed some money to pay off the tax for Himself and Peter. Jesus Christ, only gave COUNSEL for the miracle money. THE SPIRIT of COUNSEL is here for real. And is for you. Son, your sin is not your problem. Economist says, you must sweat and work-hard. The SPIRIT of COUNSEL says, just speak a targeted and irreversible words and the SPIRIT will carry it out in-toto. The SPIRIT of God is Real and Powerful. Jesus is not happy, that you are not using all these again for the furtherance of the expansion of His

Kingdom on earth. 90% conscious of sin, but 10% conscious of Love and Grace that has swallowed up the penalty/wage of that so called sin, in victory. Well! I will come back to that. Just know, the SPIRIT of COUNSEL is available for you now.

It is possible to also misuse this. Elisha died. Why did Elisha died? Elisha wrongly gave a counsel to the king of Israel, who was still in idolatry for the sake of the king of Judah. God shows no partiality. The two kings were on the way to fight King of Moab. That was an opportunity to accomplish the assignment that he continued from his master, but he didn't make use of the opportunity. He gave idolatrous king, a counsel by the SPIRIT OF GOD to go and defeat an idolatrous king of Moab. Everything went as targeted except the victory. The king of Moab offered his only son as sacrifice, to his idol

of course, but for the salvation of his people. That was a cunning satanic move. Satan was waiting, if the Mighty Mighty God will not honor this sacrifice and the purpose of the sacrifice. Remember the case of Righteous Job, where satan tried to fault the instrument of Justification toward mankind. This time around, it is a complex situation of a king in idolatry, combating another king in idolatry who then offered his only begotten heir and son for salvation of his people. What a selfless action/love even in idolatry! Though, it was not clear to satan or anyone at that time, however, that was what God would do for the salvation of the world. So, God retracted. The seventh eye of the SPIRIT OF GOD for MERCY was invoked by selfless action of Moabite-king to save his people and the Counsel of Elisha to achieve the intended victory was abolished. God honored the

abominable sacrifice of king of Moab, so that Satan will not be able to legally dishonor the sacrifice of the only begotten Son of God in Golgotha. What happened to great Elisha? That was the only counsel he gave that backfired. For missing the purpose of his anointing, He did not forgive himself. He lost his sonship consciousness, he mislay the secret of HIS success, a Revelation given to him in an open vision, when Elijah was leaving. He saw GOD OF ISRAEL as A FATHER and HIS provision for their safety. He shouted ; "my FATHER my FATHER, the chariots of Israel with their charioteers". These are legion and battalion of heavenly army that accompanied him everywhere. What a great man. But, Elisha died, with so much residue of anointing of SPIRIT in his dry bone, abandoned inside the grave. It takes maturity to handle anointing of the SPIRIT OF Counsel. This is a state at

which your word doesn't fall to the ground. I'm not trying here to scare you. Elijah wasn't a good master to Elisha, He treated Elisha, who was a son of a very rich man, like a slave. But, as for us, we have a perfect Boss and Master, a considerate High priest and lowly Teacher, Jesus Christ, the Nazarene. I want you to know your worth. And what is available to you and how to grasp and sustain your inheritance or gift as heir of God who is never treated as a slave. Approach and relate with God as FATHER. Whatever ever happened, don't lose the consciousness of your sonship, because God can never throw his son away to hell. HE is forever your FATHER. And GOD will never throw his Love to hell.

5) the Spirit of Mighty-deeds produces what has never happen before or repeat it

in another way. This is the SPIRIT of POWER for MIRACLES.

Recall: Moses parted Reed sea, Joshua stopped the flow of river Jordan, and Jesus walked on the sea. Magic is a mighty-deed that refuse to give the glory to God, while miracle gives God the glory.

Note that God is the source and creator of every one including the magicians who peep and reproduce a counterfeit of the original Jer 35:56. Remember, Moses' staff turned to snake first before Egyptian magicians did theirs. But there is a limit to the extent they can go. Moses rod, swallowed up their rod forever.

RESPECT!

Most of the time, the DON, the Professor, the Commander and the Lord Jesus Christ actually ministered healing to the sick. He actually touches, hold tight, or yearn from the bowel or splanchna with compassion to

release from inside, the power of healing, as He desired for them. It can not but be unto them as He desired with true Love and as He uttered in HIS MOUTH. You are not empty, Son. Next time any one ask you: "wetin you carry" ? Tell him, I carry God's SPIRIT. If you can set aside Self (ego) and "Loooong" for the need of a fellow person, you can not but release a power from inside your SPIRIT.

Again, in a big crusade, you will be limited, to how many people, to minister to, personally. So, what happens is the angelic ministry, especially when the atmosphere of miracle is created by quality worship to God and words of prayer or counsel are released, the Angels are ready to ascend and descend to minister to the heirs of salvation. This make the work easier, when the SPIRIT OF Mighty Deeds will be touching people in the nooks and

crannies all over the world while you, as a person is just on a spot. What a Wonderful story of Love of God! This same SPIRIT OF MIGHT, worked physically in a great man called Samson. That destined man, was born for a purpose like Jesus. The SPIRIT OF Might is both in the physical and spiritual. But, the important thing is that, the success of the physical Might is controlled by the Spiritual. God works in both way. A man who pulled and carried pillars of gate of a city alone; a man who killed a thousand soldiers with a jaw-bone, single handedly; a man who brake chains like a thread, must be utilizing strength of legion of spirits. Sometimes, there is no clear demarcation between different operations of this ONE SPIRIT God. For example, Elisha only needed to give words by the SPIRIT OF COUNSEL and the SPIRIT of MIGHTY ACT is automatically activated to fight the battle for those kings.

You are born into the kingdom of God for a purpose and The SPIRIT OF MIGHTY DEEDS is real and available to you.

6) The SPIRIT of REVERENCE is not to be able to fear or show reverence to God. To fear God, is not by begging or something to sermonize. Actions of God will make everyone to comply. Who will not fear God? You don't beg people to fear God. Just show them mount Sinai experience of God-earthquake and Fire. The SPIRIT of God is God and HE is Holy. When you operate in the Spirit of REVERENCE, you will carry the same respect as Jehovah HIMSELF. The unction of: "touch not the Anointed and do HIS prophet no harm" will rub all over you. Israelites carried this unction while travelling from Egypt to the Promised land. The people of Jericho, Mount Seir, Gibeonite, were just afraid of them (Josh

2:9, Deut 2:4, Josh 9:24). Jesus Christ told great king Herod, even when Jesus was in his jurisdiction: "tell that fox, I got two more days", so, I will go when I Am through (Lk 13:32). He could talk like that, because, He is conscious of the SPIRIT of REVERENCE that is working upon Him. Paul the Apostle reminds you of this SPIRIT for boldness (Roman 8:15), and reminds Timothy of this SPIRIT to fulfill his ministry (2Tim1:7). Even as Jesus boldly testified before Governor Pilate (1Tim 6:13). More often than not, men are afraid of what is afraid of them. No Christians should be afraid of tomorrow or anything unknown, or death (Heb 2:15). Be fearless and fear nothing because those things you fear are actually afraid of you because the SPIRIT of REVERENCE of God is upon you.

7) The greatest to the previous six, is this Seventh SPIRIT. Just like the scroll with 7 seals, which Jesus picked up from the right hand of God, the Fullness of God, is also arithmetically like 6+1 SPIRIT. This is the SPIRIT of GRACE. It is referred to as the SPIRIT of Jehovah God in Isa 12:2. And, Zach 4:7 show us, that, this is the only way-out for Israel to get out of Babylon without any physical war. Other synonyms are SPIRIT of MERCY, Fair FAVOUR, COMPASSION, AGAPE-LOVE etc. I will explain.

(GAM TRANSLATION) Revelation 15 v
4

4 Who will not fear the Supreme in authority, and not glorify Your Name? For by Yourself is Mercy and Peace (divinely right characters); for all the Nations will arrive here and worship before YOU, for

Your righteous deeds will be made manifest.

Jehovah created the earth and gave it to Adam. Adam was created, only to be righteousness-conscious, until he fell and became more conscious of unrighteousness. So, Adam determines right and wrong on earth, and build moral consciousness/conscience around himself. Jehovah own heaven. Every one in heaven are only righteous-conscious. A Greek word (G3741) "hosios" is all divinely right characters in heaven. The Hebrew equivalents of this word means kindness (H2617) or undeserved mercy as it was shown to king David (Isa 55:3). It is also used for the Holy/Pious One of God in Ps 16:10 (H2623). Apostle Peter used the word in Act 13:34 & 35, quoting both Isaiah and Psalm.

Act 13:34 however, having raised Him from the dead, believers/faithful ones, who are about to return unto decay/corruption, will not henceforth. Because, it was said this way: I will give the mercy/peace/Justification (divinely right-qualities) of David to you. (Is 55:3)

35 on that account, it was said even in another (Psalm); you will be given Mercy/Justification, not to see decay/corruption (Psalm 16:10)

The SPIRIT OF LOVE, MERCY, COMPASSION, GRACE, HOLINESS, is the Nature of God. The Spirit of Grace is the unquestionable power of attorney of God to overrule on any matter. That is why HE can reverse any abuse or incontinence from the way any elohim/mighty ones

have used the previous six. Justification means the prerogative power to render or declare a person righteous or blameless. It simply means, to be well pleased with someone. It is the immunity you enjoyed while on duty. This is only possible by Agape Love and Mercy. David could not explain how he journeyed from being a shepherd boy into kingship in Israel. consider how valiant and capable, his elder brothers were. The salted covenant of God with him to have the coming Messiah, sitting and ruling on his throne eternally, is totally amazing (2Chro 13:5). Jesus Christ operates in this SPIRIT of Grace while on earth and this is the secret of success of our salvation. The adamant Adam that committed the treason was no-where to be found. And Leviticus-priesthood that could portend a faint hope for Israel was lost on Eli (**I have explained Eli Eli lama lamma saba katani in one of my books**). Only

Grace can beset the penalty of the great grandfather's revolt on the grandsons. And that is what Paul alluded to, when he said ; the Grace of the Lord Jesus Christ and the Agape Love of God, and the participation with the THE Holy Ones by the SPIRIT, abide with us who are saved forever.

Salvation abide with us by the operation of the SPIRIT of Grace and Love which is crowned and sustained by the fullness of the SPIRIT in us (**who will not settle for down-payment or a measure for just a seal 2Cor 1:22**)

Israelites were brought out of Egypt by Strength and Mighty acts. Yet, they were exiled again to Babylon. Only Grace and Mercy can proffer a permanent solution to a permanent problem. And only the in-filling of the SPIRIT can sustain the companionship. Moses knew God's way. He knew God to be the most Benevolent,

Merciful and Loving (Ex34:6). This statement is quoted over and over as preamble in several surah in Quran.

"Bismillahi rahmani Raheem". However, the practitioners of law of Moses (High Priest, Pharisees etc) decided to overlook Mercy, just for money-gain (Matt 23:23).

They made a big mistake one day and ever regretted to bring a case of Moses law to Jesus. In John 8:2-11, They caught a woman in a sin of adultery, with evidence from enough eye-witnesses. Instead of them to just kill the woman right away, they brought her to Jesus to tempt Him. Howbeit, Jesus gave a final resolution against their expectations. If you are asking, where is the man who was the accomplice in the crime? The law comes with penalty and remedies. The man has paid for required sacrifices, and was freed from the penalty. **In fact, Moses law favor**

the rich. Now, Jesus Christ asked the Big dons of the law of Moses: let sinless person be the first person to stone her. Imagine, bringing a condemned criminal to the place of execution, and in a twinkle of an eye, she is told to go home and not to do it again. That is the power of the SPIRIT of Grace. Will that woman ever go near adultery again? Or will she take the grace for granted, thinking somebody will plead for her next time again? That will be a Food for thought. Even, If the latter case is happening through few or some, it can not change the NATURE of GOD. That is why Paul said, he would rather be accursed, to come again and change his gospel of salvation by Justification through Grace and Grace alone (Gal 1:8-9).

Jesus told John including the disciples that they must know that the SPIRIT in them is the SPIRIT of GRACE (Lk 9: 54-55). If

anyone has used any authority to effect anything rightly or wrongly, and the victim is suffering, the Spirit of Grace can step in, give parole and REVERSE it. For plenty grace triumph over even plenty of offences and judgments (Jam 2:13, Rom 5:20). The merciful will receive mercy. That is why Jesus seriously warned against the way you judge others. Only mercy can grant Justification as favour. Favor of God is fair. Yours may not, because you are legalistic. Don't forget, it the same SPIRIT OF JEHOVAH God that HAS all of these heavenly right Characters or Qualities. They are HIS Nature. That is what atmosphere is, in heaven, and God wants the same on earth.

Lastly on this, the SPIRIT OF GRACE, LOVE, MERCY e. t. c, - is an IMPERIAL UNCTION or EMPERORSHIP

ANOINTING, and it is for you now. I will explain.

In Mark 2, Jesus was sometimes in His own house in Capernaum when the whole house was crowded up and these four guys helped, by removing the ceiling, to alight a friend with sickness of paralysis, right in front of Jesus Christ.

Note: **that was Jesus' house. They won't dare go to that extent to exercise their faith unto Jesus in another man's house.**

By this IMPERIAL-ANOINTING, and against the expectations of the audience, Jesus said to the sick man, **I let you go of your sin.** People murmured for usurping the Authority of God. He let them understand their power to operate in this Spirit of Grace or Imperial-unction of the Father God (2Cor1:3). The sickness was brought upon this man because, he has offended someone and he is suffering from

the consequence of his sin. Then, in this case, JESUS was in the place of a third party. The Pharisees, there present, knew that this is what only Jehovah God can do. In fact, a herbalist will tell you to carry a very big sacrifice in the midnight into a T junction, naked, to appease the offended spirits for it. BUT, Jesus said, you all know that every sons of Adam, born through a woman, has the power, to forgive sin. And that is what I have just done. So, they were all quiet, because they knew they can also forgive except they refuse to do it. Yet, some of them still used that against Him by saying that He was doing things that only God should do (Jh 20:33). When, Jesus Christ finally subdue satan, and come out of the grave, He commanded the disciples, in John 20:23, now, go and do likewise. Forgive or let go of their sins. Whao! Whatever sin against whosoever, that the person refused to

forgive and had kept the sinner inside bondage for some times, use the imperial unction and free him. This is part of what some people called, "deliverance ministry" in quote. It is given to you who has this accurate knowledge. You are to put this EMPERORSHIP unction or SPIRIT OF GRACE to work.

But, there is a clause in Jh 20:23, which says; you can retain their sin in some cases. This cases fall into the second group, I mentioned above. You can't intentionally do wickedness or trample upon grace and expect the same grace to cover you. Paul said, Never! (Rom 6:1-2). Only James, directly write with respect to this powerful last minute handing over note of Jesus. In James 5:13-16, (GAM TRANSLATION)

13 Is anyone among you undergoing hardship? Make prayer. Is anyone

cheerful? Sing on a stringed-musical instrument (psallo);

14 Is anyone among you sick? Summon the Presbyters (Elders) of the church, to anoint him with olive oil, and make prayer upon him in the Name of the Lord.

15 And if he is tired of faith and committed sin, the wish of the Lord is to save and raise him up. So forgive him/let him go of it.

16 And having acknowledged/openly confessed the sin, then, wish/pray for one another to be healed/cured anyhow. The petition/supplication for each other by a Righteous man has force/strength to be effective/energetic on many.

Apostle James, succinctly followed the instructions of the Lord. In verse thirteen, first of all, he recommended personal prayer, then intervention of Church Elders

as third party, and when sin is involved in verse 15, this time, he was particular about sin of talking against the faith because of weariness. And the provision for the clause was considered in verse 16, when the elders had to acknowledge within one another upon the confessed sin and take the appropriate action.

Jesus has the SPIRIT in Full measure. Jesus Christ has the Seven eyes of SPIRIT OF God. But, know that all the SEVEN lamps are always burning and radiating light non-stop. So, it is your own SEVEN/complete Eyes that must be open and functional.

Jesus paid the greatest price by His sacrifice on the tree, so, we must take our place of authority, having our seven eyes open and let-go, or give freedom to any child of God, that is under any form of bondage, because knowing what others

doesn't know, and apply it, is what it takes to shine your light in the very thick darkness of this world.

Chapter 4

AGAPE-LOVE

A-GA-PE is a greek word. But in English parlance, I will say, it is the love that you express, which make others to open their mouth agape (English).

A-ga-pe versus Philei

Philei is a greek word that means friendly love. A close relation feeling or emotion of affections, that may involve, kissing, pecking, hugging, embracing one another, sex e.t.c. The understanding of love in the

law of Moses by Israelites is in the perspective of Philei. Israelites see every other people as infidel. They will not inter-marry, eat together or share anything with them. They call them uncircumcised. Even though, they were charged to give hospitality to strangers because they were once a stranger in Egypt, yet, Israelites will have to do that without crossing the boundaries. A time came, based on the prophecy of post Babylonians Prophets, they engaged in seeking after proselytes among the heathen-nations. Proselytes are the non-Israelites, that accept Judaism religion and keep all its precepts including circumcision. Yet, there is still a boundary line, in the way they relate with them.

AGAPE is a selfless-LOVE. Love that is based on action and not on feelings, emotions, or sex, or hugging or kissing and not even on sweet and plenty

languages/tongues of prophecy (1Jh 3:18). Love is about what you do. A friend in need is a friend indeed. It is not a selfish kind of love that seek glory for self. Agape is the Love unto both insiders and outsiders. It is not exclusive but all inclusive. AGAPE is a duty bound Love that will do what Philei will do without any emotions, feelings or any attractive return or gain for it. It is Love in the head and not in the heart. A duty bound Love, in the sense that will make a General-Manager of a big company, to turn back his car at the gate, for a visit, having heard that, the Gate-Man is sick and is in hospital. AGAPE will give and expect nothing back according to Christ teaching. It is the good thing that you do to others who do not deserve the favor for the sake of someone else. In summary, AGAPE is what you do to someone for GOD's sake and only expect your reward from God.

There was this last minute message from Jesus to Peter

In John 21:15. Then having dined accordingly, Jesus asked Simon Peter, Simon (son) of Jonas, do you selflessly Love (**AGAPAO**) Me more than these (food)? he told Him, Yes, Lord; You are aware that I Like (**PHILEO**) You, He told him, feed my lambs.

16. He asked him again, the second time, Simon Jonas, do you selflessly Love (**AGAPAO**) Me? he told Him, Yes, Lord; You are aware that I like (**PHILEO**) You. He told him, Tend (supervise) My sheep.

17. He asked him the third time, Simon Jonas, do you like (**PHILEO**) Me? Peter was sad that He asked him the third time, do you like (**PHILEO**) Me? And he told Him, Lord, You are aware of all things;

You know that I like (**PHILEO**) You. Jesus told him, Feed My sheep.

You can't see this, except you consider the colored greek words used over there.

There is no smooth communication between Jesus and Peter in that discourse. The issue is not about 3 times emphasis. It is due to a lack of effective communication. Jesus Christ asked Peter about **Agape**, but Peter was recalcitrant and responded two times, that he can only offer **Philei**. Peter might also have made that conclusion, because, Jesus sent them, only to the lost sheep of Israel during their Industrial Training. But, the lowly and perfect Master Jesus, won't coarsen Peter by just commanding him to selflessly love everybody. There must be a conviction in you. After walking with Jesus for three and a half years, Peter still did not discern this different kind of Love of GOD. Jesus

got him, and tone down by speaking the same language of Peter, at the third time.

Jesus knew very well, that if any body thinks, Agape is impossible, He has just proven the highest level of AGAPE by His death. He decided to remain mute and substituted Himself for a total strangers and murderer before Governor Pilate, just for God's sake.

Agape is for man to practice

First of all, I want to establish a fact that, human beings are the same from Adam till date. Abraham, Job, Elijah, Samson and you are similarly affected or subject to the same passion and feelings (Jam 5:17). We all get tired, hungry, thirsty, hate, love, desire to be loved, etc the same way.

So, Abraham proved his Agape or selfless Love to God by agreeing to sacrifice his loved son, the only thing standing between

him and God. He proves his selfless love for God above his son, and was rewarded with irreversible and unconditional blessings, not only for him but for the whole world. That was the time God promised salvation by Justification and outpouring of full SPIRIT of God upon all men.

If Godly men of old could walk with God this way, how much more Christians who are already enjoying this undeserved Love of God for our salvation (1Jh 4:19).

Human beings like you have done it before and are doing it even now. Joseph the carpenter who was the fiance of Virgin Mary, cover her up against the tenet of law of the land. It is a very shameful thing to hear that unmarried lady got pregnant from another person.

In our present world, we have had husband who was ignorant that his wife had a child

before their marriage, and agreed to sustain the love in the marriage when he eventually got to know, like Joseph. He did it to cover up the shame of this woman for God's sake. And that is Agape.

Common sense in the law of the land, permit you to disgrace that woman but you decide to do something that is uncommon and strange to any law in any land. That is what it means, to have righteousness that surpasses that of the Pharisees and Priests, who only operates within the common sense law of Moses. And, HERE is the big shot, you cease to be seen as ordinary man in the SPIRIT realm. Because the angels and spirit-beings also are legalistic, so, they will start seeing you to be strange like someone in the class of Jehovah, WHO is the SPIRIT OF MERCY HIMSELF. You are automatically promoted in the spirit realm. Whao! Great nations in our world today were built by their forefathers,

hundreds of years ago by Agape. The assertion: "[think of what you can do for your country and not what your country can do for you](#)" in a nut shell, has instilled Agape in the citizens. Jesus was teaching a very rich young-man Agape in Matt 19:16-22. The man was told to give everything he has to a beggar. So, that by tomorrow, when the beggar is riding his Venzar or Lincoln Navigator, he will be on his feet-wagon, trekking. Only Agape Love will do that. It will surely put him in the class of highly dignified gods (Elohim), because it is more or less, like stepping outside the law of Moses. [[Read a biography of Saint Francis of Assis](#)]. You will not be seen as ordinary, anymore. JESUS said, by this you shall be called the children of your Father in heaven (Matt 5:44-45). Don't be scared, because you can do it. Matt 11:29-30 and 1Jh 5:3 confirmed that His law is not grievous. The greatest Agape, has been

demonstrated by Jesus by His death. My blood and yours can not save anybody from Sheol. and there is no need for it, because that of Christ is sufficient. So, that makes it simple. All that is required is to be a truly selfless and carefree man, who can count all things as loss like Paul, or can swallow up his pride for the sake of Peace and God. How materialistic are you? How selfish are you? If you mellow down on those two things, you are good to go with agape.

Please note that God would never demand for a living soul. Isaac was not killed. The souls of all first born in ISRAEL were redeemed by consecration of Levites, and the difference in the number of the first born children and the Levites were redeemed with money (Num 3:45-50). The case of Jephtha's daughter was very clear, in a well translated Bible. That wonderful

lady lived the rest of her days consecrated as a virgin and that is the reason for celebration every year, commemorating that victory for as long as she lived. She was truly, the first **Reverend SISTER** recorded IN the HISTORY of the Holy book (Judge 11:40)

Agape is the nature of God.

Agape-Love is OF God (1Jh 4:16). So, it is a big umbrella that cover an extensive ground. Transposition of all commandments in Moses law and any constitution of any nation are summarized under this one word called AGAPE (John 13:34, 15:12; Rom 13:8, Gal 5:14). And, mind you, some people don't even love themselves, so, the yardstick is Jesus, not yourself. Apostle Paul was very vast in his understanding of Agape. He regarded himself as the chief of all sinners (1Tim 1:15) who has been a beneficiary of this

astonishing, mouth-opening kind of Love. Many could not appreciate this, because they were born into the church, and are still laying claim on some self-goodness. Listen up! Christianity is a life of THE SPIRIT OF GOD in man, when you cease to recognize self and submit yourself to total control of the SPIRIT, in such a way that HE takes all glory for every good fruit that will ever come forth from you.

Agape is the first of these fruits of the SPIRIT OF GOD. In Gal 5:22

22 But, these are the fruits (karpos) of the SPIRIT: Love, Joy (in the Spirit), Peace (being set at one with the Father), Patience (elastic heart), helpfulness (usefulness), kindness (agathosyne), Faith (persuasion),

23 Meekness, Self control (abstinence);
there is no law, undermining these kind of
things.

Baptism and recognition of the SPIRIT OF
GOD in you makes, living-a-Christian-life
simple. If you have the SPIRIT of God,
you have the Nature of God in you. And
that is Agape. HE created everything
because of HIS LOVE for them. HE did
not create Sun so as to destroy all the ants.
"The SPIRIT of GOD created all things in
Selfless-LOVE, with JOY and with
enough PATIENCE, to be at PEACE with
them, so that, they will be
HELPFUL/Useful to one another by
showing KINDNESS, and through
FAITH, they can stay MEEK under SELF-
CONTROL."

Note: all these things have their source
from the SPIRIT.

Say this every day: I have the SPIRIT OF God in me. I have God's Nature in me. I can Love everybody. There is no one I can not Love unconditionally. The Spirit of Love is activated and functional in me. HallelouYah.

Characteristics of Agape

1Cor 13 will be discussed here from GAM TRANSLATION.

1Cor 13:1 Also in case we preach by all tongues/languages of human beings, and of Angels, but do not have selfless-Love (Agape), we generate copper echoes, or a shout of cymbals

2 And in case, we hold on to prophecies, and know all mysteries, and all the knowledge, even in case we have all the Faith, by which to remove mountains, but do not have Agape-Love, we are nothing.

3 And in case, we feed all people with our possessions, and provided, we could surrender our bodies, at least, to be burnt, but do not have agape-Love, we are nothing of benefit.

4 Love is patient/bear long, it is kind; Love is not jealous; Love vaunt not itself, not puff up,

5 not behaving improperly; not seeking its own (selfish), not easily provoked, not keeping record of wrong things,

6 not rejoicing upon unrighteousness, but congratulate truth;

7 domicile/roof over all things (in Christ),
have Faith upon all things (in Christ),
Hope for all things (in Christ), endure or
stay behind all things (in Christ)

8 Love will never (at any time) Fail (fall off); also whether prophecy, it will

become useless; or tongues, it will cease; even knowledge, will become useless.

9 for , OUT from a SECTION, you possess absolute knowledge; and OUT from SECTION (you) speak under inspiration; [quote: a Section is like a local assembly)

10 Also whenever (you) come to FULL MATURITY, spiritual growth OUT from SECTION will be abolished.

11 when I was a child (infant, yet to speak well), I preach like child (nepios), I think (exercise the mind or mentally disposed) like child, I reckon like child; when I become man, I render things of the childhood useless.

12 for, you are looking here now through a glass in dimness (enigma); but by that very time, face to face (no dimness or enigma); here now, you are possessing absolute

knowledge in SECTIONs (**local assembly**); but at that time you would have had full discernment even just as we have fully discerned.

13 Also for emphasis, these three things will continue to remain, Faith, Hope, selfless-Love (agape); but, the Greatest to these things is selfless-LOVE (Agape).

Verses 1-3 highlight 3 wonderful good deeds,

1) like ability to preach and reach out to everyone on earth for being gifted with all languages, so that, there is no language barrier;

2) or you are so vast in knowledge of all prophecies and mysteries, so that, your gift of Faith will move mountains;

3) or you are very rich and not materialistic, so that you supply the need of everyone, and if need be, you can offer

your own self as sacrifice like Jesus Christ, uhh! Yet, lacking in AGAPE, Paul said, it is of no benefit. Excuse me! What exactly does this mean? I will break it down.

What you don't know, you don't know. It is either you know what Agape is or not.

Agape is OF God. It is not found outside God and HIS Son. Agape is in Christ Jesus and it is selfless. Anyone who is of God, will give God Glory and acknowledge the Son for the salvation that save him, from being a potential captive of hades/sheol, irrespective of all his good or bad deeds

Someone like a Jewish Christian, who still retain some Judaism law for money-gain/popularity, and is preaching Christ everywhere, but doing it for moral-interest or politically-right opinions, or to be known for his personal opinions, fall into the first category.

In the second category is someone similar to Paul himself, having all deep knowledge and secrets about salvation in Christ, mentally dissected and understood, moreover, possessing the gift of Faith to heal the sick, but would fail to give Glory to God and God alone, will receive no reward from God because he has received his reward from men.

The Agnostics, who claims, they only believe in welfare of humanity and the Religious folks, who even claim they know God; both of which can go to any length to do good to others but reject what God said concerning HIS Son, thinking they know better, or seeking after their own glory, perfectly fall into the third category.

Jesus said, after, you have preached, labored and get exhausted, see yourself as though, you are only doing your duty or

doing yourself a favor. See corrected version of

Lk 17:10 and likewise for you, whenever the unprofitable slave is doing all he is commanded, you will say, you are BOUND to do what you are doing.

When, His 1000 years reign in His kingdom shall come, you will know better, why you should have done more.

GOD is A heart knower. And no one can deceive HIM. HE will reward everyone accordingly.

Verses 4-8 highlight the **characteristics** of Agape. Paul tells us of 8 things that Love is NOT..... And 8 things that Love IS...

Agape Love is NOT jealous, does Not vaunt self/gallivant around, will Not puff up, will Not behave improperly, will Not seek after things for himself alone/be selfish, will Not be easily provoked/hot

tempered, Not keeping records of wrong things, will Not rejoice upon wrongdoing/unrighteousness.

Agape Love IS patient, is kind/benevolent, rejoice over truth, house/roof over everything in christ, have Faith over everything in Christ, have Hope for everything in Christ, endure/forbear and uphold everything in Christ and finally, Agape Love is eternal or unbreakable.

Verse 8 explains how, only selfless-Love wil not at any time, ever stop to exist or fail in this age and in coming ages. Note: Paul referred to the local church in Corinth as SECTION or Division of the church of Christ in that locality. Denomination and different doctrines of people today is totally unacceptable. There is only one united church of christ in the whole world, with sections in each cities. According to the aim and objectives of Paul in ministry,

the age is coming, and even now, in our local assemblies or sections, that, preaching in languages/tongues and the acquired knowledge of Christ will not be needed again.

Verse 9 explains that, we acquire knowledge by prophesying or speaking about Christ to people in our sections/assemblies.

Verse 10 explains that when people are brought to full stature of Christ, (and that should be the aim of any Apostle or Leader) there will be no need of teaching them those knowledge again because he is a teacher himself, who should go out and teach others. (Eph 4:13).

Verse 11 explains the building up of the church to maturity by using a parable of a child-behavior from childhood to adulthood. At first, including Paul himself, they will preach as fresh intake (nepios),

with not much boldness to affirm some truth, but later, when his synesis or mental capability to grasp bigger truth comes, and take record of the past prophecies as evidence of things that has materialized into salvation, he abandoned the nepios attitudes.

Verse 12 explains that, up to the present time, a lot of Christians are still seeing dimly because they are still under training in the sections in various cities, but in the nearest future time, they will know better and see things, they are being taught, "**face to face**" or clearly, or without ambiguity, having a full discernment (epignosis) like Paul himself instead of mere head knowledge (gnosis).

All of these explanations tell you, the heart/mind of Apostle Paul for full discernment of this thing called AGAPE-LOVE in the Church of Christ .

Finally 1Cor 13:13 AGAPE is the Greatest (meizon/mega) to all things you do in this spiritual life of Christianity. Note, the word is not comparative as in "greater than", rather, Agape is most important to other gifts OR it is a catalyst for any operation of giftings, either acquired or divinely endowed, to operate optimally and to attract reward from God. Anything you do in the kingdom outside Love, is a waste and of no benefit. Freely, you receive, freely, you should give (Matt 10:8, 1Cor 2:12)

Agape must get hot (song of solomon 8:6) and reach the peak. And that is when satan will say, "**hey! Everybody has gone after Jesus and send out its antichrist**". Agape must first rise to the highest before waxing cold (Matt 24:12). Because, Christians are still here. At, least, Married Couples are still here and your own children still listen

to you as parent. It will take the event of "catching-up" of the saints and manifestation of the antichrist for Agape to wax cold.

Even if some church-goer, reading this right now will still not comply, or sneer at it whatever your fear or excuse is, I personally strongly believe and hold on to this, that agape must rise and get hot again. Most of the things, concerning which we pray and disturb God, are readily available within a family circle, such as Church, or groups, or communities or blood relations. The problem has been, **who will take the problem of another as his own?** Lack of Agape or Lack of selfless Love in Action, has been the problem. Imagine, someone saying, may be if I help him, I may share in the punishment that "God" 'in quote' is dishing out to him. They can not see, A Merciful and Loving FATHER GOD.

Rather, all they see, is a sinner in the hand of an angry and terrible "God". Salvation by Grace in Jesus is not just enough in their thinking. Uh!

When you do the deed of Love in Christ, you are only doing yourself a favor. Had you known this, instead of waiting for opportunity, you will rather be the one seeking for the opportunity to bless someone. The story of the Rich man and poor Lazarus explains this better. Some folks, said, that, the rich man hasn't done anything wrong. They are like him. knowing what is good but fail to do it. They are probably waiting until when God personally will tell them or until when the man comes to beg for alms. Very Hardened, from being logical in their heart. Forgetting that "showing Mercy" is the only variable that is reciprocal. Mercy is through trade by barter. THE SPIRIT

said, I will have mercy upon whoever show mercy (Ex 33:19, Rom 9:15). In another place, Jesus said, to the merciful, I will show mercy (Matt 5:7) and vice-versa.

Giving to a total stranger, whom even if he wants to reward you, he can not pay you back, is one of the peculiarity of AGAPE-LOVE, because your rewards is only from God. The more Agape Love you show, especially to strangers, determine how you will be highly placed and honored in the spirit realm, (**mind you, a wise nation only exports their excess products**). Jesus taught us to invite strangers to your party/dinner rather than your friends. So, the Spirit of Love and Mercy is the central/pivot point of all other operations of the Spirit of God. According to James 2:14-16, Faith in Christ Jesus, is lifeless without your Agape in Action. A prayer of Faith for a hungry or naked person is cool, but don't

leave without making arrangement for a meal or clothing as your work of Love. Rahab, the harlot in Jericho had Faith in the God of Israel and she preserved the lives of the the Israeli Spies. She could have said, God should know how to protect them. And, would not logically, want to help God. No body can help God. Rahab only utilized the SPIRIT of Agape in her and do a thing that could even cost her, her life, if Jericho Elders found out.

Papa Abraham also, believed Jehovah very well, yet, he would not deprive God of his loved son, which is a proof of selflessness enshrined in Agape. Rahab received Justification by faith and the act of Love promoted her to be uncondemnable by her past and became great grandmother of the Lord Jesus Christ.

Peter, like every other Apostles eventuality got the message of Agape right and they

all wrote to buttress it. Peter itemized 7 things that must be added to Faith to be perfect, and he was smart enough this time around to separate brethren-affection/likeness of brethren (phila-dephia) from Agape, which is the greatest to all.

1Peter 1v 5-8.

5. Moreover, even the Same (Jesus), has introduced these things alongside in earnest for all in Faith, even for you to furnish in addition: virtue/being a genius, also in **being a genius** (add) mental knowledge (gnosis),

6. also in (**mental**) **knowledge (gnosis)**, (add) self control/abstinence; also in **self control** add cheerful endurance; also in **cheerful/hopeful endurance** (add) piety;

7. also in **piety** (add) brethren-affection (philadelphia); also in **brethren-affection** (add) **selfless-Love (agape)**.

8. Because, as these things permanently seated in you, being the coming up-leaders, you will not be idle, nor being unfruitful, but abound unto the full discernment (epignosis) of our Lord, Jesus Christ;

John, the beloved, also wrote to the beloved lady, in 2Jh, saying, look! How will you feel, if at the end, you make heaven but got no special reward/wage upon all your preachings and effort in the house of God

2Jh v 8. Look/take heed, yourself, at least not to lose what you have laboured for, but to enjoy a full reward.

In summary, to 1Cor 13, Any appearances of Love outside Jesus is not Agape and

attract no reward from God but from the world. Every labor in Christ that are not of selfless Love or Agape is nothing. Agape is a catalyst for maximum fruitfulness in the kingdom of God on earth. And from James 2, Agape promote a man of Faith in Jesus.

Working/Walking in the fullness of the 7 operations of the Spirit of Holy-God anchor more on your responsibility in selfless work of Love. Not by struggling with fasting, even-though a wise-fasting is good. You must know that, they are gifts of God. And secondly, you must know that, being Gracious, loving, compassionate, merciful to others can be an intentional personal responsibility, which attract all of the blessings of the SPIRIT of God in full measure. Selfless-Love is paramount to successful operations

of all of the gifts of the Spirit of God in individual.

Apostle Paul went further to pray on his knees, bent, in EPH 3:14, so that, they will be strengthened by the SPIRIT inside them, to see the big picture of what they have been taught including Agape love. He talked about the Length and breadth (Area), the height and the depth.

Jesus Christ has expressed the highest Agape on the tree. Jesus commanded us to remember His Love during breaking of bread. If your church is doing theirs, once in a year, I beg! Jesus used food as an example, because, the frequency is likened to as many times you eat in a day. The first century church break bread in remembrance of Jesus-Love, as often as possible.

* *So, when you remember Him, no 1, you will take time to meditate, mutter and

consolidate to discern the **length**. This is about, how long can your love put up or bear with other's inadequacies. You may ask, after forgiving him/her three times, what next? You, are still owing him/her love. You can't finish paying the debt of love. You owe everybody, a debt of Agape (Rom 13:8).

* * no 2, You will remember the agape that put Jesus on the tree to discern the **width or breadth** of your love. This is about, how wide is the space and tolerance you permit for anyone to trample on you. The Area (LxB) or the boundaries; which if it is crossed, you may likely revenge or lose your first-philei, becoming touchy or fretful, hard to please, nagging, fussy and resentful.

* * no 3, You will remember Jesus to discern the **Height** of your love. This is how far your love has grown since you

believe. How many colours, races, languages, cultures, dressings, habits, can you accommodate? This is about, How many of such differences like barriers and roofs, you have removed since you believed.

* * and no 4, You will remember Jesus to discern the **depth of the root** of your love. This is about the tenacity of your love like the roots of a Cedar Tree. When storm of poverty, persecution, disappointment, mockery, sickness, joblessness, delayed promises etc blows; the depth of the roots of your Agape will determine if the tree will still be standing.

Full discernment of Agape in Christ Jesus

Full discernment of Agape-Love is the aim and objective of Paul for all the saints. Gnosis or mental knowledge from social science and philosophy, which is based on

observations of human relations will not work. Because, Agape is independent of feelings or emotions. It is duty-bound and commanded at the point of appointment, but you are well enabled to do it. In fact, you do it with pleasure and smile, because you know your reward is great in heaven. Our example is the Lord Jesus Who was despised by insult, assault and battery, slander, libel, and the brutality that leads to His vicarious death, just because of the Joy, set before Him (Heb 12:2).

Let's see the yardstick of the Love of Christ to meditate upon: the Area (LxB) covered on earth by the Love of Jesus; the loftiness which is beyond the sky and the depth which is even unto the hades/sheol that defines the all-inclusiveness of His Agape.

- no 1, the full discernment of the Love of Christ will discern the **Area**, He covered

to endure or put up with the arrogance of the Pharisees, disloyalty of Judah Iscariot and co, ignorance of High priest, several temptations induced by satan, irreverence by His own native people of Nazareth, the brutality and mockery before Gentile-king Herod and his calvary of soldiers; the final judgments before Gov. Pilate etc and the extensiveness of His love that transcend races, color, complexion, languages, accent, locations, etc. etc.

No 2, The Full discernment of the Love of Christ will discern the **height** which reach up to heaven, where He sanctified and clear some of the remaining two thirds of Angels in heaven of any infidelity or disloyalty to God.

No 3, The Full discernment of the Love of Christ will discern the **depth** that made Jesus to see and taste death. Jesus descended to sheol for you, subdued satan

and bailed out the prisoners that were locked up in hades since Adam revolted against God and stop the power of sheol to hold down the soul of any of His believer on earth again.

That is the definition of salvation. To Save your soul from being cut off completely from God, after putting off this flesh. Somebody like Samuel came out with Jesus at His resurrection (Matt 27:52-54). Recall how Samuel was brought up by a sorceress, for King Saul, from the sheol. Samuel and so many others that believe on Jesus inside the hades had gained their freedom and move to heaven (1Pet 3:19, 4:6 and Matt 27:52-53).

How big is the umbrella of Agape of Jesus that cover the Dead ones in the hades, who had died before Jesus came, the Living ones and the unborn that will still come to the earth, and even the Angels in heaven!

Note: statements like only the spirit is saved, while soul is not saved is totally incorrect. Soul is what got saved from going into sheol. Soul is non existing without any spirit. The Spirit in Adam was only reduced to 120 years on earth, and there is still certain percentage of spirit left with a soul in the sheol, otherwise it can't respond to anything. That make the difference between psuche of Adam and Gorilla. It takes spirit to have a soul existing at all because Spirit never dies.

Statements like, your past sin, today's sin and future sin is already forgiven is incorrect. Statement like your past is forgiven and forgotten by God is a half truth. It take amnesia or accidents on the head or mistake during lobotomy surgery to have loss of memory. Forgiveness is a miracle. You don't know what you are averting when you forgive on time, until

when the result come upon the offender that hurt you. Forgiveness is intentional. Forgiveness is deliberate. It is not something that you polarized by saying "after-all, we all offend God, and God forgives". This is you now, being hurt, and it is in your capacity to give it or withhold it.

This is what God did, and you can do it. When you intentionally and deliberately do SOMETHING to create a new SWEET-MEMORY between you and the party involved, that will cover up the BAD-MEMORY that hurt you, without even discussing the past again. And that is what God did. So, when you are well pleased with a person, now, his past and future offence will be immaterial.

Man is not saved from sinning. Man is saved from the wages of sin. Man is saved from going to hades as a prisoner of satan

while he is given the freedom from sin by the power of the indwelling SPIRIT. Again, God has justified man as a free gift in Christ. The issue is not about remembering or forgive and forgetting anything. The present day reality is that, God sees the believers in Christ, as the people in whom God is well pleased with. So, anyone who is not in Christ, is a potential dead man, except he accepts the gospel of Jesus NOW. Man on earth including the unborn is saved from the penalty of the sin of Adam and of himself. And is/will be given the Power or ability (dunamis) by the infilling of The SPIRIT to strengthen him in the inner man to Love (Agapao) if he accept by faith that A new Lord has been ordained on earth by God to replace the first Adam. And that is Jesus Christ; Period! Sin got no room where love resides. Adam lost Love and inherited hatred in Eden but Jesus has restored

Agape-Love. JESUS said, if you Love Me, you will keep My command (Jh 14:15). And this is My only command, that you Love one another as I have Loved (Agapao) you (Jh 13:34, 15:12).

That is why, like Apostle Paul, Even I myself, bend my knee and pray right now, that you and the entire united church of Christ worldwide will be strengthened in your inner man to increase in Agape Love towards one another for an unending and continuous glory (Amen).

Agape is the transposition and one-word summary of all ethics, rules, laws, regulations and restraints to live right in any land.

The SPIRIT of AGAPE (not football) will polarize the differences from the West to Europe, to the middle East to Africa, to Australia, Madagascar and Asia of this world. When everyone will choose to see

through a lens of true Love, to establish equity which is totally disinterested, with no motive of hidden oppression and economical dominion. A Love that transcend colors, races, continents, languages, accents, bias of the good, the bad and the ugly, the strong, the weak, the unproductive and "the productive, yet the entire world is degenerating everyday". When the prayer of Jesus; to make them one, even as WE are ONE (Jh 17:11&22) will be fully established.

To round off the matter, a wonderful old time writers, says in Ecclesiastes 12:13
(GAM Translation)

[13] hear the conclusion of the spoken words: Human beings must reverence or fear the Elohim, and keep the commandments.

++14++ but if Elohim/mighty leaders keep the verdicts secret, (human) works/actions will be both good and evil +++.

So, they lived in a skeptical age, but now, that the Adonay, Jesus Christ has revealed the New Age law to us, Apostle Paul, wrote:

1Tim 1:5 However, the commandment for the end goal/result is on Faith and selfless-Love (Agape) from a clean and sincere heart and a good co-perception.

Peter advised the church as the end time approaches in 1Peter 4:8

above all, have fervent Love (agape) unto yourselves, in that, Love covers up multitude of sins;

9. Be given to hospitality unto one another, without complaints;

10 Just as, each man, has possessed spiritual gifts (charisma), administer them unto one another, as a virtuous House-Manager of the diverse Grace of God

Gifts of the SPIRIT are never for "sale" nor for "self" or just for your own denomination but for the expansion of the one and the only kingdom of God on earth. Remember how Peter got so angry with one man called Simon in Samaria on the issue of giftings and monetary gain (Act 8:20-23).

A personal call to do away with "SELF" or "Ego".

I woke up one day with a brief message: "TO OVERCOME in LIFE is by OVERCOMING SELF/ego". It took me some times to decipher it. The "self" is not about sin in the flesh. No body can kill self or die to self of sin. Teaching and

Immersion in the SPIRIT of God, is what is required to overwhelm the flesh of sin. Theology of Apostle Paul should be well understood, because in reality, two robbers were actually crucified alongside Jesus at Golgotha. That is the reason why Paul also emphasized, that all he cares and want to know is "a CRUCIFIED Jesus" (1Cor 2:2). So, Paul only encourages, the use of Faith to RECKON flesh crucified with the Lord (Rom 6:11). If you can likewise mentally picture and see it, and as in water-baptism, if you can picture and see yourself apparently dead in the crucifixion or passage through reed-sea-water and come alive together with Him at His resurrection, the Power of the SPIRIT in you, will cause you to release rhema and kindle your mortal flesh against sin.

In reality, Jesus was pierced and he suffered pain through it on the tree. So,

Paul concluded by instrumentality of Faith, for the sake of uncircumcised non-Jewish Christians, that no-body should come near him or anybody to discuss cutting/piercing, subsequent induced-pain and scar/stigma through male-circumcision again, and by considering what happens during (PASSION WEEK) or tough experience of Jesus, which led to His death because of our sin, no body should want to go closer to sin again for its transient enjoyment. [Gal 6:17 **is never about the idea of Roman-Catholic church, or Saint Francis of Assis concept on "Stigmata"**].

Now, back to the message given to me.

It takes a total loss of consciousness of "**self**" or "**ego**" to selflessly-Love and to truly desire and minister power for healing to others.

It takes a total loss of consciousness of self/ego, to take the problem of another person on your head and demand for solution.

It takes total loss of consciousness of "SELF", not to preach yourself but only Christ and give all glory to God.

No wonder, it seems, Jesus supported full time ministry and total relinquish of family for His disciples and followers, just to teach them Agape. Peter, Paul and co, misunderstood Him and they lived such a weird esoteric life, that make them to be accused of upsetting the world by removing people out of their home (Act 17:6). However, Agape-Love can set "SELF" aside, and still be in the midst of your family and produce substantial results for the glory of God.

I recommend these 2 sweet songs:

Chapter 5:

Conclusion

Christianity is spiritual and a Christian life is lived purely by Faith. To keep it simple, "The same way, you receive salvation by Faith, is the same way you receive Miracles and administer Miracles by Faith" (quoting Katheryn Kulman)

GAM Translation of Heb 11:1

1 Nevertheless, Faith is a support for a deed/pragmatic occurrence (pragma) being hoped for/expected, and not looking at a proof (evidence).

It doesn't matter if nobody has walked in any popular gift of the SPIRIT In your family, no body is empty. You got Love and it is paramount to all of the gifts of the SPIRIT. The Lord Jesus Christ said, many are called while few are chosen. Ascension of Jesus, open the gate of heaven for outpouring of the SPIRIT. So this few chosen ones are the dignified believers who operate in one or more of the seven

SPIRIT OF GOD as gifts and submit themselves to build up the flock of God. It is in your capacity to be one of this few, if you can thirst and be hungry to serve in Love. If you will earnestly search for the SPIRIT OF God by faith in sound knowledge of the word of God, they will be unlocked for you one after the other.

Heb 11:6 Also without Faith, it is impossible to gratify God entirely. No doubt, to have faith, you must draw near to God, for He Exist, and become a Rewarder to those seeking (craving) after HIM.

Crave for the SPIRIT from God in the Name of Jesus Christ, with a persistent, heartfelt request like EliJah. Present your strong reasons; to serve with selfless love, and promise not to reserve any glory for yourself. If your request is good for God, good for others, and you in the third place,

you will definitely receive a speedy answer. Sometimes, the BiG BOSS Himself, who knows better than you do, may need to take you through classes and stages of tutoring, which can last for years. Your persistence and undwindling thirst will prove your sincerity to serve even if you will have to clean up feet. Sometimes, you can asked during worship, that, the Lord should permit you to clean His feet for Him. Not, because, it is dirty, but your readiness to serve in selfless Love. Recall, the chosen Mary with alabaster box, who was the sister of elected lady, probably Martha, cleaning the feet of the Lord with the hairs on her own head, pouring out a costly perfume ointment on the Lord. Jesus said, we must preach what she has done everywhere. Cleaning the feet of Jesus with your best is an expression of Agape Love, for the souls for whom Christ died. Preach His Love and you will be surprised

within a short time, how your ministry will walk in the miraculous. Satanic induced negative government policies and painful life experiences of people due to their ignorance, cannot defy the Nature of God. Preach as oracle and ambassador of God. Open your mouth wide, and it shall be filled with both blessings of food and God's words. Ps 81:10

10 by Jehovah; the mighty men (eloheka) went up to the land of Egypt - and opened wide, their mouth and were filled:

11 the people heard and are contented with the voice - of Israel:

We can learn from a successful man of God from south Korea, who said, he can not boast of any particular gift of the SPIRIT, but he knows that he has Holy Spirit Who is the Operator. So, when there is an issue, he will consult the Holy Spirit

in a simple short prayer for help and the operation of the SPIRIT that he needs to handle the matter at hand will be given.

The assignment get easier, when we express our consciousness and dependence on these full or 7 operations of the Spirit of God.

Do your part, which is not burdensome at all. This is the only injunction by our Lord Jesus Christ. Love (Agapete) your neighbor as He has loved you (John 25:35). Then thirst and hunger for the 7 operations of the Spirit and you are good to go. They are committed promises and gifts of God for the present day.

To be a great player in the Winning Team of Christ believers, and save lives in this years of dominion of the Lord (A.D), accurate information about the Spirit, Jesus, You and your relationship with the

Rest of the world is important and essential ([get my book on this](#)).

Gospel or good message is all encompassing. It is not limited to four walls of your church building or feeding the flocks of your Model Parish to ensure that all of them barely make it to heaven. There are so much crooked ways out there world-wide that need gospel to be straightened out. Full/Seven lamps of spirits of God will make the job a walk-over and give you easy-victory.

Get this right, there are certain thing in your capacity, that you can do. Everything is not money. A smile, a timely and spirit-led visit, and so many things to express Love are right there in you to offer. Christians are blessed with seasoned words of good message, and not phony motivations (1Pet 3:9, Col 4:6). Paul commended a section of church in Philippi

at a time. They met the need of Paul, not because he wanted it, but that, he can have words/account to their credit (Philip 4:17). Don't miss such opportunity of Agape.

There are so many people who have had a one-time experience of supernatural gifting but after that, a shallow or nothing more of such experience. I heard from a man, leading people in an organized regular prayer meeting, how sometimes ago, he had a dream in which a dead was raised. Behold, the following day, himself and two other elders were in UCH Ibadan mortuary, where a dead fellow Elder, was raised back to life by their prayer. How come, such mega experience does not continue in his life? You need to read a biography of Evangelist Reinhard Bonkke in book titled: Africa God's General. At about age 21, he was part of the congregation in a prayer meeting, being

led by his Dad, when he was prompted by the SPIRIT of God, to go and lay hand on a woman, he crawled on his knees to her and he did it successfully. Though, his Dad cautioned him. But after that, as a full time minister in his church in south African, he was struggling to see the power of God come to bear. Always, blaming the church members for lack of Faith. The hunger for this manifestation made him to invite other great Evangelists, including a great man of blessed memory, Richard Ningi. Bonkke described him as a Man of Rugged Faith. All these worked together to rejig the unction in Bonkke and eventually thrash the spirit of timidity which launched him into the deep sea of exploit, of going all over the world to evangelize.

I will say here, that, Church Demonination barriers, must be broken first. Next is to have Accurate information of the gospel of

Jesus Christ, then, hunger and thirst, like you just take aperitif-wine before meal. Be hungry for this manifestation instead of joining those that preach against it. Hunger and thirst for the Fullness of the SPIRIT. Worship God with a picture of the Throne, set up in Revelation 4 and 5, with all of your strength, soul, mental faculty and body. The Throne is real and the SEVEN lamps are always burning, for Spiritual Eyes, who look forward to more impartation of the SPIRIT, by partnering with the FATHER and the Son. You will surely receive rhema for the moment and the future.

When last did you look up and words like this come out of your mouth: God! No dream! You are not talking to me! What next!

This will show that, there is a relationship, and you know, that, such gap

in communication of any kind, does not augur well for smooth running of your contribution to the kingdom of God. (some don't even know why they are still here after they have believed). A lot of people, believe in Jesus but got fed with bad-news instead of Good-news. Too conscious of sin. Still a dogmatic Judaist with a sugar-coat of Jesus-salvation on the surface. If we are truly in New age Covenant, we must know the difference between mount sinai and mount zion, the difference between Mercy and law. The difference between a life struggling to please God and a Graced people that lead a SPIRIT-led Life. You can't gag yourself up, with so much shackles that disqualify you of heirship of God, and expect to soar with wings like eagle. You can't be celebrating the work of satan and its cohorts stylishly in your preaching and prayer points or in the use of your giftings, to be sending out

fear instead of boldness, when the Force field of Love is sufficient and Mighty enough to fling satan out like lightning.

Virgin Mary was not the only virgin in Israel in her days. God gives Favor and not luck. Luke 1:28 talked about this single lady out of many, that was graced (G5487 charitoo). Paul in Ephesians 1:6 used the same word for all children of God. Any Christian that knows this, will see himself as God sees him. You are loved by your Father and your God. You are not one of those that will abuse your freedom and citizenship. Are you? So, Preach Jesus, boast of God, His son and the installed king of world. That is when the power of God will flow and be unstoppable. Setting your gaze on the minorities that will or may abuse grace is a distraction. Believe God, believe in Jesus also (Jh 14:1) and

Love everyone. God will never throw Love into hell.

Take advantage of imperial or emperorship unction of the SPIRIT OF Grace. This will work if applied to one another. You do it for others and someone also will do it for you. Declare each other free from all allegations by the wicked and unforgiving spirit of witchcraft out there. The authority is committed to you, because God is not happy when you are not happy for any reason. Give a Command: **I let you go**. Do it for your family. Do it for your friends, do it for your brothers and sisters. Declare it as you stretch forth your hand or by a Touch in the Name of Jesus.

Note: Where your hand goes, your Spirit goes.

You can do it and free yourselves. Satan can not stand "**the Power of Love**". And

all demons put together can not successfully stop you.

Other Points to note:

* Baptism by water is useless for this work, except you have turned that ordinary water, extraordinary, for impartation of God's SPIRIT.

* the believers have been cleansed up and justified by the SPIRIT through Faith in Christ (1Tim 2:16). Therefore sin is not your problem.

* The believers are entitled to unconditional rewards of the SPIRIT, promised to father Abraham (Gen 15:1).

* The believers can be imparted with the SPIRIT of God from selfless anointed believers, who are well orientated and are looking forward to reproduce more laborers for this mission (Act 8:17).

*** and like Paul, you can boldly say, I am coming in the fulness of Christ (Rom 15:29)**

About the Author

Recommendation to my esteemed readers

I recommend that you become your own translator by cross checking, some of this words in strong and concordance Bible, downloadable in Android phones store. So that, you don't continue to read what the translators want you to read and not what

the writers put down. Remember, Mathew, Mark, Luke John etc didn't speak English language. So, you should not trust the paid-translators, some of who are not even Christians, but just did their job.

The GAM Translation of new testament is completed, and has corrected all kinds of wrong ideas in the most popular kjv and the rest that you have been reading. And to do same to all old testament books, I require your supports both in kind and cash. For as many that are blessed, so far, should be part of this project. Sow towards the kingdom project, and you will be greatly recompensed.
